Beloved brothers in Christ, Daniel & Terri, concerning John, he told me that he is going to his parents village to rest and will be discussing his situations with them. This village and is very far from his town, but I do know his futures lies in living in that town because he is a good leader/representative and is the one who was connecting others together in Malawi. Next week I hope to be on the way to Malawi to see him and encouragement him, so if the funds for equipments will be ready it will be good for me to buy the equipment and bring it to John and his team. I wait and hope to hear from you very soon. God bless you brothers Daniel and Terri for what you do for us. Pastors Philip & Kissa Mahali

Brethren in Christ, Danny and Terri, first of all let me apologise for not communicating with you for many days. Really I was in a very, very bad and dangerous situation because groups of Muslim guys came at night and burned my house. so I have had to go and stay with my parents in their village where there is no power or internet. But today I am in town again to report at the police station for statements and I will stay here for only two days then I will be back to the village. Thank you and be blessed. John Banda.

Dad, I told you something in the last mail about a program we are planning here. This is an evangelistic program we call 'OCTOBER FOR CHRIST'. I have been doing this program for seven years now , and we go from house to house preaching about Christ. We will be doing three days crusade in Abuesi from 7th to 9th Oct, then in Axim from 14th to 16th, in Abot from 21st to 23nd, and finally in Cape Coast from 28th to 30th

, and in between the crusades we will do house to house evangelism. Dad and Mum as you may see this is a very important program for me and I believe it will take the help of God to bring it to fulfilment; therefore we need your prayers and the prayers of all our partners. We also need about 80,000 tracts; 20,000 for each town. So I humble request the funds for these tracts to enable us to carry out this program. We hope and pray that the Master will make fundsavailable for His work. Your sons, John& Mary Boateng

Brothers Danny & Terri Maher, thank you for your kind reply and for your precious prayers. Here, on 23rd and 24th (Friday & Saturday) we visited 4 Degree colleges and 5 Junior colleges, we meet so many students and we preach the word of God and we distributed our Telugu tracts. Some students are asking me to conduct monthly youth seminar, as these seminars are very useful to youth and so many are saved through our tracts ministry. These youth spread the good news to so many places of my
state, so please pray for these seminars. Our linked pastors are distributing our tracts to their areas also, and they keep me informed of their programs. Please pray for our ministry in the 4 districts. We pray for you and your family and also your needs. God bless you richly. Thank you brother, Ephraim Penumala

Beloved brothers in Christ Daniel & Terri, greetings from my heart! It's good to give thanks to the Lord and to you also for what you do here in Africa with the tract ministry. Brothers don't be discouraged, because your work is not in vain. Up to now you have many spiritual children whom you got through your visions/tracts. My prayer is one day the amount of funds will be increased. Lastly, just to remind you that the tracts are still needed for Mary and other brothers in the Lord here in Africa. 4th Sept 2011, India

Brothers Danny & Terri, yesterday (3-9-11), our 4 districts pastors are gathered at my town and we prayed for 2 hours, then we discussed future plans of our tracts ministry to these 4 districts. Our tracts have saved more souls, including Hindu and Muslim families. Our 4 districts pastors send this request asking for 10,000 Telugu tracts for each district each month. Our pastors visit some more remote villages once or twice weekly, plus hospitals and educational centres, bus stands and railway stations to their areas, and they distribute our tracts and preach the word of God and win souls through our tracts ministry. So our pastors are sending the above request for your kind notice. Please consider their request prayerfully and send your kind reply to me. God bless you richly. Pastor Ephraim Penumala
