Danny, This morning our Bro Ifeanyi Obi phoned me and gave me his contact address. I will send the 72 bibles to him through EDO LINES COURIER. The items will leave tomorrow morning to Ibadan. He will collect it on Wednesday 30th November 2011. God bless you. Love. Bekinbo Ibuwariso

29th Nov 2011, Obadan, Oyo State, Nigeria

As I wrote in our October report, this new contact came in on the last day of that month. We asked for prayer, as we knew we'd need a miracle of our God's wisdom and provision for us to be able to assist these brethren in any way. A week or so later the Lord provided that miracle. While sharing the urgent need at a lunch with some friends, one brother there said simply, "I'll meet that need". As we were about to leave he quietly slipped enough funds into my pocket to not only meet the total costs of the bibles, but also included enough to enable us to also get a quantity of tracts to Ify which he had also requested. This means that on Wed 30th Nov, thanks in no small way to our dear brother, Pastor Bekinbo Ibuwariso, these brethren will receive their

bibles and begin reaching out to others in their city. The tracts will come later as Bekinbo tells us that our printer in that country is very busy with the usual Christmas rush.
OUR GOD IS SO!!

Beloved brothers Daniel & Terri Maher, greetings from inner most part of my heart; I believe you are fine, but sadly I am not. I am suffering from malaria as you know, and we are now in the rainy season, so the mosquitoes are increasing. I want to inform you that John Banda and his friends have prepared a very, very big final mission for this year which will begin in the first week of December. So I am reminding you brother concerning their request; mosquito nets, tents, blankets and water. I already have the blankets here and I will be in Malawi the first week of December to take this and the other items, if you will be able to send the funds for them. Also, don’t forget Mary Pierre in the Congo and the brethren in, Mozambique and Zimbabwe;

they still need a lot of tracts. They all will be finishing their missions at the end of this month so please remember them. God bless you. Your sons, Philip & Kissa Mahali
