Brothers Danny & Terri Maher, yesterday we visited the 4 Tribal colonies with our team. We went to door to door and conducted an open gospel meeting in each of these colonies. We return to homes this morning. We preached and prayed for the sick people in these colonies, and some people were saved and some were healed. These shared their testimonies in the open meetings. We are so happy to do our ministry to these tribal colonies. The people eagerly received our preaching and some accepted our Lord Jesus Christ as their personal Saviour. So we plan in future to conduct Sunday services in these villages regularly. So, please pray for all these. On the 27th and 28th of this month as we visit many hospitals in my town and the nearby towns of Guntur district. Please pray for these visits. God bless you richly. Pastor Ephraim Penumala
