

The work in BURUNDI began in late 2009 when evangelist MARY MAKECHO contacted us asking if we could supply her with SWAHILI Tracts. Through her, this work has also spread into RWANDA, the DRC CONGO, and UGANDA. But the greatest blessing for us have been, first, seeing our relationship with Mary develop from one of just acquaintances in this work, into one of close family ties in Christ Jesus. What a blessing!!

The following are some encouraging emails we have received from her:

9th May 2011, Burundi Dad & Mom, Danny and Terri, I am very sorry for being quiet for many days. I was in hospital but now I am back home. You know I am pregnant, so because of long distance movements I disturbed my health, but now I am fine. Let me give you the testimonies I promised; Burundi: 15,391 people gave their lives to Christ, including 75 witches and 14 witch doctors.

We had become very concerned about our sister, Mary, in Burundi, not having heard from her in several months. The following are some extracts from an email which has just come in. Dad and Mum, I am sorry for being quiet for many days. Do you remember I told you about my wedding? I thank God it was good, and afterward we went on our honeymoon to Uganda for one month. The week we came home, the forces of darkness attacked me, and I was in bed, suffering from an unknown disease, for several months. I really was seriously sick, but with the help of your prayers I am now healed. My hearts desire is to continue to preach until my death, so my team has arranged some missions. We will spend two months in Burundi and two months in Rwanda, with our focus on the villages. I know you have many responsibilities which need a lot of money worldwide, but as we have arranged these missions, we need to hear

from you and Pastor Phillip. Will you be willing to again help us by sending Swahili Christian tracts? We wait to hear from you, and may God bless you, Amen. Mary Makecho.

My Dad and Mum, thank you again for your tracts which I received on Sunday from Phillip. Many people got saved through your tracts. Please don't forget me. We are praying for you, and for all the prayer requests which you sent to me. Be blessed. Mary. **25th May 2010**

My parents, Danny & Terri Maher. Thank you very much for the tracts which I received on Sunday from brother Phillip. And thank you also for sharing with me concerning our brothers in India, with the situation they face. Let me say, we will fast and pray for them, and the Lord will make a way for them. Please don't forget me concerning tracts. Have a nice day. Mary. **8th May**

My Dad, Danny and Terri Maher. Thank you very much for your prayer. The wedding was very good. Thank you also for the Swahili tracts which I received on Tuesday from Pastor Phillip. Thank you again for remembering me. Phillip told me to reduce the time of the missions, so instead of four months, we will now have two, as he told me that he was also having a two month mission. My Dad, these tracts will run out on Monday, and yes, I know you have many people who need tracts, but please help

me finish this mission. Have a good day. Mary. **26th**

Brothers Daniel & Terri, Thank you for your email, and for your information. Yes, we understand the circumstances you face. By the way, our mission begins in the CONGO on 8-2-10. We will continue with this mission, but please remember that its success depends very much on tracts. So we wait for them from you, through Phillip, and we will be glad if we will receive them before finishing our mission in the CONGO. God bless you. Mary Makecho. **25th Jan 2010**

My brethren, Daniel & Terri Maher, yesterday evening I received 40,000 SWAHILI tracts from Pastor Phillip in Tanzania. Really, my ears and eyes can't believe, as I have never received such a large quantity of tracts as this before. Most people are not faithful. So I am wondering concerning Phillip, I need to know him, and I hope I will learn from him. Please allow me to hear from you soon, and I need to know if you receive this email. Thank you again, and God bless and protect you. Your servant, Evangelist sister Mary Makecho.
