

This work of assisting evangelist PETER SIWALE in DODOMA, TANZANIA began in mid 2009, and was made possible by the dedication of Pastor PHILLIP MAHALI in MBEYA. He arranged the printing of SWAHALI tracts and got them to Peter, and continues to do this work. We are so very blessed to have had our wonderful God bring PHILLIP into this tract outreach with is. Please pray for him, his family, and his church group. (See Tanzania, Mbeya) The following are extracts from some emails we received from him. If you read up from the bottom of the list you will see how this work has progressed over the months

27th April 2011

My brethren Danny & Terri thank you again for tracts. The mission has been good and fruitful and next week will be the end of this work. We still need many tracts because our people still need them. Thank you very much. Peter Siwale

31st March 2011

We received an urgent **plea for Swahili tracts from Peter Siwale** today. He and some other pastors have been **invited by the student fellowship to preach in a number of schools in that city.**

He reminds us again that the tracts are, as he put it, **a very, very important tool in this work**

16th Nov 2010

Brethren Danny & Terri; greetings! The following are the testimonies I promised you. The mission took two months and we were based in the city of Dodoma, the Tanzanian capital. These are the numbers of people that got saved; 1,200 women, 912 men, 50 harlots/prostitutes, 300 street children, 2,500 lady students, 1,700 boy students, 215 women prisoners, 95 men/boy prisoners. A total of 6,972. Also, we have already baptized 1,200 of them. All 6,972 people have already been directed to pastors near them. This is in accordance with the instructions of our overseers, Phillip and Kissa Mahali.

On behalf of other church leaders I first want to thank God for this work. I also want to thank you, Danny and your beloved wife Terri. Thanks also to all the people who support your vision/ministry both financially and spiritually. Many thanks also to our brethren Phillip and Kissa. Danny and Terri, I just do not know what to say about this couple's faithfulness. because many church leaders receive a lot of dollars, which they use for their own benefit, but Phillip and Kissa use all the funds to print and send out tracts. We receive them free of charge, and without any problems. But they also have needs as human beings, so please remember them. God bless you. Peter Siwale.

14th Sept 2010

Brethren Danny & Terri Maher, thank you very much for your Swahili tracts which I received on Sunday night from my brother Phillip. May the Lord bless you forever and ever, Amen.

As you know, the growth of this church depends on your tracts, so please help me, and help our God's kingdom. Thank you and God bless you too. Peter Siwale.

13th Feb 2010

Brothers Danny & Terri Maher, thank you very much for your encouraging email to me. Really for all the time when I was in prison my family and all brothers were crying, praying and fasting. My health is not good because of the many troubles which I faced there, as we was eating only one meal per day, and the food was very bad and dirty. By the way, the situation in our prisons here in Tanzania is very bad. But I was preaching there, and 3 prisoners got saved. And I am needed to go again to distribute Swahili tracts. Brothers,

now I know the situations in our prisons. People suffer, and when I was there in prisons I saw many Christians and most of them preachers. They suffer a lot. They don't have soap, toothbrush and so many needs, WOULD YOU PLEASE SEND FUNDS AND HELP THEM, WOULD YOU PLEASE FIND SPONSORS WHO WILL BE READY TO HELP OUR BROTHERS IN PRISONS? I HAVE A GREAT BURDEN FOR THEM, PLEASE SEND ME THERE. Let me hear and wait from you soon.

Peter Siwale.

12th Dec 2009

My brothers Danny & Terri Maher, I greet all of you in the powerful name of Jesus Christ, our Saviour. Do you remember me? My name is Peter Siwale. I received tracts from you through pastor Phillip Mahali. I have been in prison because of distributing your tracts in the Muslim area here, and most of those who were very interested in the tracts were Muslim children. But I thank God, because now I am free again, and am ready to distribute Swahili tracts once more. Would you please help by sending some next week. Your fellow soldier in Christ. Peter Siwale

God will remember you in your needs, and please remember me again, as I told you about my situation. God bless. Pastor Siwale.

Aug 2009

I greet all of you in Jesus name, our Saviour. Thank you for being ready to help, and send to me more Swahili tracts soon as soon as possible. Thank you also for asking us to pray for Ellie and her mother. We are in very good contact with our leader Pastor Phillip concerning this issue, and together we are in prayer in all five cities which receive your tracts, but please help and send to me another 10,000 Swahili tracts, if possible, either this week or next week. As I told you, the total number of people who need Swahili tracts is 20,000, and I got only

10,000. So other people are not feeling good. Please help me. Let me hear from you and God bless you too. P Siwale **30th July**

2009

My Brother, Dan and Terri Maher, I just want to take this opportunity to remind you of the 20,000 Swahili tracts I asked you. My brother, many days have passed without hearing from you, or from pastor Phillip and I do not know why, both of you are too silent. Have you forgotten us? Or does this it mean that is

the end of tracts projects ?

Please, please I know you have many people who need tracts worldwide but please the people here are coming in my house and in the church asking for Swahili tracts,

Please,

the number of peoples who need Swahili tracts is 15,000. So I need 20,000 to satisfy these people

. Let me hear from you. Bye.

Peter Siwale.

7th July 2009

Brethren Danny and Terri Maher, I greet you in Jesus' name, our Saviour. Thank you again because our church is growing day by day. I plan to establish another church about 200KM from my home place, and I am planning to begin with a big crusade, so I will need at least 20,000 Swahili tracts, if possible. My target is to preach and distribute tracts there as I have done in my own area. Would you please tell Pastor PHILLIP to give me those 20,000 Swahili tracts this week? The crusade will be next week, if I get the tracts. Let me hear from you, and God bless you too. Your brother, Peter. **19th June 2009**

Brother Danny & Terri Maher, I greet you again in the name above all names Jesus Christ our Saviour. Thank you so much again for the 5000 Swahili tracts which I received for my brother and pastor Phillip. We are fasting and praying for you and your ministry and for your fellow

staffs members, and all sponsors who support this work of tracts. I will give you the reports soon concerning the results of these tracts. Please don't forget us next time. God bless

you too and thank you very much.

Pastor Peter Siwale.

8th June 2009

Brother in Christ Danny & Terri Maher, I greet you today in wonderful name of Jesus Christ our Saviour. On Thursday to Sunday this week we will have VERY BIG OPEN AIR CRUSADES, WE CALL IT TANZANIA BACK TO GOD, so, would you please tell Pastor Phillip Michael Mahali to give us more than 100,000 Swahili tracts? (If possible) Please, these tracts will help us to win many souls in this crusade. Yes, I know you have so many responsibilities which need money and I know you distribute tracts all around the world as Pastor Phillip told us, but please help us. Let me hear from you, and God bless you too. Pastor Peter Siwale.

3rd June 2009

Brother Danny & Terri Maher, I salute in the name above all names Jesus Christ our saviour. Thank you very much for your good work here in Tanzania, and thank you very much also for your brother Pastor Phillip Michael Mahali, from Mbeya. Let me say, this is man of God who is fully filled with Holy Spirit, has given me only 1000 Swahili tracts. I distributed these free of charge as we were instructed Pastor Phillip. And we know that 150 got saved, and 140 are in my church. This is great miracles, because I had only 35 people for five years, but now I have 140, after only two weeks. HALLELUJAH.

Brothers, Dodoma is the capital city here in Tanzania and we have more than 5 million people, so 1000 Swahili tracts is too small an

amount. Many people need these, so would you please tell Pastor Phillip Michael Mahali to give me many more Swahili tracts? I told him, but he told me that he received only 600 AUD for Swahili tracts, PLEASE HELP ME. Let me hear from you and God bless you too.

Pastor

Peter Siwale,

Dodoma, Tanzania.

27th April 2011, Dodoma My brethren Danny & Terri thank you again for tracts. The mission has been good and fruitful and next week will be the end of this work. We still need many tracts because our people still need them. Thank you very much. Peter Siwale
