

This work in Kenya began for us in late 2009 when Evangelists, George and Clara Otieno, first contacted us. And while our contact with this brother has been wonderful, yet, if it were not for severe financial constraints, it would have developed much further than it has. But we praise our God for what he has achieved so far, and look forward to an every increasing harvest for this very dear brother and his wife.

The following are extracts from some encouraging emails which we received from George:

11th Oct 2011

Dear brethren in Christ, Danny & Terri Maher, I am very, very sorry for being quite for many days. After finishing the missions I got very bad news concerning the death of my very best friend/pastor. Sometimes we was working together in missions so the team I and some other brothers in Christ we travelled to his village for his burial but now I am back home safely. It's been a very, very sad time. Now as I promised you concerning testimonies/report, really, the missions were very, very good and fruitful. We went door to door and 2530 got saved. We came to realise that many people came to Jesus first because we give them free tracts and we pray for them and show love to them. Next time we are invited in Zanzibar Island (Tanzania), this is a Muslim stronghold, so we will wait to hear from you if God will provide funds for tracts. Thank you and God bless you. George Otieno

8th Dec 2010

Brethren in Christ, Danny & Terri. Greetings from Kenya. The following are the testimonies I promised you last week. The missions took three months and we divided into three groups. The following are the numbers of people who got saved through street evangelism. Women (mature) 1,520; Men 710; Ladies (young women and girls) 4,500; Boys 2,500

Then from outreach into prison; Men 23, Women 50. Into hospitals; Men 250, Women 500. Into schools/colleges/universities; Men 750, Women 2,530.

Witchdoctors; 1 Man. Witches; 2 Women. A total of 13,236.

This time the witness was not house to house, but person to person, because we realised there are many people who do not know how to read or write, so we thank God for this fruit. And thank you Danny and Terri and all those who support you financially and spiritually. Tell them their works are good. God will reward them and we are praying for them. Please don't forget us next time. God bless you. George Otieno.

3rd Dec 2010

My brethren Daniel and Terri, thank you for the Christian tracts which I received on Sunday from Phillip. Glory to God, the one who protected us through the three months of missions. This week we will finish, so thank you Danny and Terri, and our thanks also to all the brothers and sisters who are supporting us in this way. We have committed ourselves to prayer and fasting for all of you, and for what you have done in our country. The people here are very interested in your tracts and they have asked us to continue for another month, but we had to say no, because we need to spend time with our families also. But we promised them we would be back soon, so please don't forget us next time Danny and Terri. May God protect and guide you day and night, Amen! Your fellow soldier in Christ's army. George Otieno.

17th Nov 2010

Brothers Danny & Terri, thank you again for the Swahili tracts we received from Phillip on Sunday. And yes, as he told you, at the end of this month we will be finishing these three months of missions. We thank God because the number of people who have come to Jesus continues to grow day after day. We will send the testimonies to you after we finish. All blessings to you and Terri, and those who are working with you. George Otieno.

2nd Sept 2010

My brethren Danny & Terry Maher; let me take this opportunity to thank God, and you also, for the Swahili tracts which we received Saturday night from our beloved brother and pastor, Phillip from Tanzania. Thank you very much. We have started the mission this week, and it will last for three months. As I told you, the government leaders asked me to do this mission. Those Swahili tracts will help us for this week. PLEASE DONT FORGET US FOR NEXT WEEK, IF THE LORD PROVIDES. Thank you, and may the Lord bless you too. George Otieno.

22nd April 2010

Brothers Danny & Terri Maher, I am very sorry for being quiet since I finished our missions, and I remember I didn't give you any testimonies, and this is wrong. After I finished my missions my second born died, so it was a hard time and I was in great sorrow. I thank God who gave me strength and now I am rejoicing in the Lord.

By the way, the mission was very good. The following people got saved, 3 Muslims, 30 students, 12 sick people, 4 harlots, 7 prisoners and 12 street guys. And more than 3 tribes need tracts translated into their local languages. Actually we {you and I} have a great work to do here in Kenya and all Africa. Some areas have already arranged another mission, and they have

invited me to go with tracts. So, are you in good position financially? I am waiting to hear from you. Your brother in Christ; George Otieno.

We pray that God may give you spiritual and physical health, Amen. George.
