

Our first contact with Kutz Hetzinger, a young missionary from Germany, came about in Feb 2010. The following extracts from emails will show how this association has progressed. Once again, financial constraints are slowing down the work, but our God is faithful. This is his work, not ours. He will provide whatever is needed, in whatever way he chooses. We wait for him!

19th Aug 2010

Danny & Terri Maher, thank you so much for your email. I am sorry for being quiet for many days but my accident caused some affliction in my spine, so for now my friends I am confined to bed and need a special wheelchair to get around. By the way, I don't have internet access in my house, and I have to go about 10km to get it. I am very weak and so I cannot easily make the trip. For this reason you may not hear from me for some time. Brethren, my team is in Uganda, East Africa, for missions, would you please send help with Swahili tracts. Let me hear from you. Kutz Hetzinger.

30th July 2010

Brethren, Danny & Terri, my friends! How is Australia, and how are conditions? I hope you are doing well. Sadly, I am not OK because I have had a very bad accident and cannot travel anywhere, but my team will be in Uganda next week. Would you please help them with Swahili tracts. Bod bless you. Kutz Hetzinger.

17th April 2010

My brothers Daniel & Terri Maher, I greet you in the powerful name of Jesus Christ, our Saviour. I am back home for two weeks now, but I was very seriously sick, and still am. By the way, the missions were very good and 103 people got saved. My brother, I am not feeling good physically, so I will contact you later with all the details. Let me stop here please. Kutz hetzinger.

29th March 2010

Thank you very much for the Swahili tracts which I received yesterday evening from Pastor Phillip Mahali. This is my last week here in Zanzibar, and on Monday, next week, I will be on my way to Germany. You have blessed my heart, and thank you very much for being a part of these missions. Next week I will give you the number of people who got saved through the missions and your Swahili tracts. You have done so much good to me, and have encouraged

me a lot. First, I thank God, second, I thank you, your wife, Terri, and Pastor Phillip. Really, you have got a very faithful and strong soldier in him. Let's establish our communication fellowship. God bless you. Kutz Hetzinger.

15th March 2010

Brothers, on Sunday afternoon I received your Swahili tracts from Pastor Phillip. Thank you very much, and may God bless you. You have encouraged me in this mission. We have only two weeks left, so please help us again with tracts. And yes, we are praying for Pastor Phillip and his wife, Kissa, and we are praying for you also, and our mother, Terri. God bless you both. Kutz Hetzinger.

8th March 2010

Brothers in Christ Danny & Terri, thank you very much for the Swahili tracts which we received yesterday, Sunday, from your representative here in East Africa, Pastor Phillip Mahali. Thank you again because this time we have received the tracts in good time, and now we are in the streets distributing them. Would you please help us again next week. As I told you, I am a very young minister, and I am from a poor family, spiritually, materially and financially, but your vision has touched my heart. I will pray for you, and I will tell people about your vision. Pastor Phillip is doing a great job as your representative. Your soldier in Christ. Kutz Hetzinger.

3rd March 2010

My brothers Danny & Terri Maher, I greet you in the name of Jesus Christ. Let me thank you very much for the Swahili Tracts which I received from Pastor Phillip Mahali. I am very young spiritually and physically, and I am not well financially. When I go back home, I will tell Christians about your vision. Please don't forget me, as next week we will go to another city, and will need many tracts. God Bless you. Kutz Hetzinger.

24th Feb 2010

Brothers Danny & Terri Maher, I salute you in the name of Jesus Christ, our Saviour. I am a young German preacher/missionary, and I want to inform you that this week my team and I will start a mission trip to Zanzibar, Tanzania, East Africa, which is 95% muslim. We will have door to door evangelism for five weeks in five different cities, each for one week. This work will be done together with Swahili speakers. These missions will begin next week on Monday, early am. After searching for two days for Christian organizations which distribute tracts, we found your web site, and we are very interested in your vision. Would you please help us by sending Swahili tracts, if you have any. I am waiting to hear from you. Kutz Hetzinger.
