

We first came into contact from Mercy Armah in Feb 2010. Initially we were able to assist her in a small way, but then, as with everyone else, lack of funds has meant that we have not been able to continue to meet her need. We look to our God continually to rectify the situation, as we are helpless outside of him.

Hello, this is Pastor Mercy, please, how is the work going. Pastor John had informed me about continually waiting for God's supply. I do understand. Thanks very much. Concerning my mission report, please, let me know if you did not received it. Hope to hear from you soon.

Dear in Christ. I thank God so much for what you are doing for His Kingdom. Sorry you have not hear from me for some time now, it because I have no internet in my area. Any time I mail you, I have to travel to the city. By the grace of God my tracts are now finished and I need more, as soon as you can help. As I told you, my ministry is to go from school to school and preach about Christ. With the tracts, about 14,000 school children head something about Christ. 5 villages also received the tracts, but we need more. I called Pastor John to help us, but he told me to make the request to you. Please, we will be grateful if you can help us with what we need, it lessens our work. We are waiting to hear from you. Yours faithfully, Pastor Marcy.

Dear in Christ, I have just received 18,500 copes Fanti tracks from Pastor John Boateng for our evangelistic work. So far God is winning souls for His name. I want you and your organization to accept our profound gratitude. Some pastors have asked me to help them to also get in contact with you. Please, what should I say to them? Once again, God richly bless you. Pastor Mercy.

I greet you in the name of our Almighty God, who by His grace has made us alive. I am a co-worker in the Lord's work, spreading the good news to my villages to fulfil the commandment of God. (Acts 1:8-10) I encounter many difficulties on my trips as a woman pastor. A colleague pastor, John Boateng, told me about your organization which, by God's grace, can help me with gospel tracts in my evangelistic work. I therefore ask you to support my work, and to help me
