

“God is able to provide you with every blessing in abundance so that you may always have enough of everything, and may provide in abundance for every good work.”

In this work which the Master called Terri and I to many years ago, we can say without reservation that our great God has proved conclusively the truth of the above scripture, always supplying what we needed, even though there have been many times over the years when we felt sure we were not going to be able to continue.

We have also been blessed to experience the obedient faith of some of the poorest of the brethren; those who were, and are, always willing to give what they have to supply the need, even when that giving has left them short for their own needs. Such loving willingness to help fulfil the Lord Jesus command of taking his message, the word of God, into the remote, unreached areas of the world has inspired us in the hard times, and has enabled faithful evangelists and pastors in many countries to obey the command of **2Peter 3:12** ***“Hastening the coming of the Day of God.”***

Our hope and prayer is that the Spirit of our God will stir the hearts of many brethren to assist in supplying the desperate need of tracts and bible studies for all the faithful servants of the Lord we are involved with. And in the process, begin taking part in the work of bringing more souls into the kingdom of our God and his Christ. Plus, very importantly, those brethren will also be assisting in **DISCIPLING the new believers in the word**, enabling them to walk on with the Lord, bearing good fruit for his glory.
