"Above all, hold unfailing your love for one another, for love covers a multitude of sin."

The Lord, who is the Spirit, has been challenging me about this verse for the last few days, and I have had to face the simple fact the fact that I have been lax in living this simple principle of our God's Word. It is so easy for me to see the faults in others, but not my own, unless I am walking closely with the Lord.

So he said to me, "The reason you can so clearly see the things that you feel are wrong in others is simply because you are not walking with me as you should. It is high time to correct that because if you walk closely with me, all you will see clearly are the things in you that I want to deal with, and you will know what to do about them"
