"What have you that you have not received? If you have received it, why do you boast as if it were not a gift?"

This passage of scripture has always been a challenge to me personally. but even more so since this outreach program has begun to develop and expand. I am reminded again and again that everything contained in these tracts and bible studies was given to me by the mighty Spirit of our God, not for me to glory in, but to share with the spiritually hungry. None of this was given to me because I had some special abilities, and I need to continually remind myself that I have not worked out any of this for myself.

For me not to remember these facts would mean that my fleshly pride would contaminate this work, thereby causing it to be useless and unfruitful for our Father's glory, as it would be a robbery of the anointing of his Holy Spirit, and therefore would be of no eternal use to anyone.
